

BIM-MEP^{AUS}
Construction Innovation
2013 Forum

25-26 July 2013
Melbourne Convention
and Exhibition Centre

CLOSING

Mr Sumit Oberoi
Executive Director, AMCA

The Future in BIM Enabled Integrated Project Delivery

What is our vision?

- Our Industry that has access to global best practice and has the capabilities at the forefront of design and construction
- A total solution for the building and construction community
- A strong governance and organisation model
 - Supply chain representation
 - Rapid development of standards and specifications
 - Service provision that is membership focused
 - Engagement with industry and Government
 - Receptive to technological developments

What's next on our programme?

- Implementation of the Industry Board of Management, formal operating and financial structure
- Continual engagement across all levels of government and industry to ensure the initiative is receptive and maintains the key platform for design, delivery and FM
- Release of new best of breed foundation standards and specifications for plant, equipment and fittings
- Enhance the BIM-MEP^{AUS} Autodesk Revit National Template add-in and increase the level of content available
- Support next phases of our training agenda linked to a career pathway
- Support Industry to release further advisory and guidance material

What can you do to support the BIM-MEP^{AUS} Community?

- Adopt BIM-MEP^{AUS} Practices, Models and Workflows
- Specify BIM-MEP^{AUS}
- Join our voice to Government and Clients
- Participate within our technical specification equipment workgroups
- Represent your organisation at the BIM-MEP^{AUS} Construction Innovation 2014 Forum to showcase your capabilities
